PEABODY RIVER BANK STABILIZATION
CONTRACTS #1-#3
TOWN OF GORHAM, NH

The Town of Gorham will receive sealed Bids for the Peabody River Bank Stabilization project, until 2 p.m., November 18, 2011, at H.E. Bergeron Engineers, Inc. (2605 White Mountain Highway, North Conway, NH).

The project includes three contracts. Contract 1 (White Birch Lane South) is the construction of a 450-foot-long berm along the Peabody River adjacent to the White Birch Lane cul-de-sac. Contract 2 (White Birch Lane North) is to stabilize 200 feet of eroded slope adjacent to White Birch Lane by installing riprap with (2) boulder deflectors and a boulder wedge. Contract 3 (Libby Field) is to stabilize 250 feet of eroded slope adjacent to Libby Field by installing riprap with (5) boulder deflectors and (5) tree clumps.

A copy of the Bidding documents may be examined and obtained from H.E. Bergeron Engineers, Inc., 2605 White Mtn. Hwy., PO Box 440, North Conway, NH 03860 (603)-356-6936, upon a non-refundable payment of \$85 per set (\$15 for regular postage and \$30 for US Postal Service overnight postage).

A Pre-Bid conference will be held at White Birch Lane in Gorham on Thursday, November 10, 2011, at 2 p.m. All potential Bidders are encouraged to attend.
